

I AM MSM

50 Years of Shaping the Future of Health Equity

Technical Assistance Workshop

“Addressing Rigor and Reproducibility Guidelines in Research Grants”

Facilitators: Drs. Pamela Daniels & James Kohler
Office of Research Development

Thursday, January 29, 2026 | 12 noon- 1 pm

This workshop will cover the four elements of rigor, how to address these elements in your research plan, and where to include these elements in your proposal.

VIRTUAL: Join Zoom Meeting [CLICK HERE](#)

Meeting ID: 976 8292 2220 | Passcode: 188176

This workshop is co-sponsored by the MSM Office of Research Development and AUC GRANTED

AUC-GRANTED: *A Collaborative Approach for Transforming the Research Enterprise through a Shared Support Model for Collective Impact and Synergistic Effect*
